

## *Mission Statement*

*To provide a safe, enjoyable, and educational shooting experience for all members and guests.*

## **Goal**

*To protect the heritage of our club and offer a great shooting experience to all of our members, their families, and guests, while growing the sport of shooting through education, involvement and camaraderie.*

## **Safety Rules**

The purpose of these rules is to ensure that all activities on club property are conducted in a safe manner to protect individuals and the club while promoting the shooting sport

1. **ALWAYS** treat all guns as if they are loaded!
2. **ALWAYS** keep all guns pointed in a safe direction- Up and away is best!
3. **NEVER** point a firearm in the direction of anyone **AT ANY TIME!**
4. **ALWAYS** keep your gun unloaded until it is your turn to shoot!
5. **ALWAYS** keep your finger away from the trigger and safety on until it is your turn to shoot!
6. **ALWAYS** be aware of your surroundings and other patrons while on the trap field!

**Eye and Ear Protection:** All persons, including observers, will wear ear and eye protection when inside the shooting area. Individuals assume all responsibility for any injury that may occur by not wearing eye and ear protection and agree to hold LLSC Harmless.

**Loading Your Shotgun:** **NEVER LOAD YOUR FIREARM UNTIL IT IS YOUR TURN TO SHOOT.**  
You must be on the line in a designated shooting station prior to loading your gun.

**Number of shells in the Gun:** Never load more shells in the gun that you are allowed to shoot listed below:

Trap: 1 shell at a time

Doubles: 2 shells at a time

**Target loads ONLY:** Only lead shot is allowed. No ammo larger than 12 ga 2 3/4" and 1 11/8 ounces of shot. Only shot size from 7-9 is allowed. Shooting non-approved ammo is grounds for removal from the club. The only exception is a special sanctioned club event. If you are in question about your ammo meeting any of these requirements, please ask management for confirmation.
